

Prashanna Dhami

BSCS Undergraduate/ Diploma in IT

Bagdol, Lalitpur • +9779842724655 • _prashannadhami059@gmail.com • [LinkedIn](#) • [Github](#)

Computer Science undergraduate with a Diploma in IT and foundational skills in backend development (Python, Django, Express, MySQL) and familiar with caching systems (Redis). Strong problem-solver with project analysis and debugging skills, demonstrated through academic projects. Passionate about building scalable systems and eager to contribute to backend projects. Seeking an entry-level role to apply my skills in API development, database optimization.

EDUCATION

Westcliff University, King's College Nepal

2024-Present

Bachelor of Science in Computer Science, Major in AI

Mechinagar Polytechnic Institute

2024

Diploma in Information Technology

Shree Amar Secondary School

2019

Secondary Education Examination, Vocational Stream Computer Engineering

SKILLS

- Python / Django
- Node Js /Express
- MySQL
- Redis
- Git / GitHub
- HTML/ CSS

PROJECTS

SlumSarathi | Python | Django

[GitHub](#)

- Developed a comprehensive web platform built with Django, designed to empower and connect Students by providing easy access to essential services, educational resources, and events.
